Get ready for christmas!

The christmas and new year festivities will soon be upon us! Time to make merry with your nearest and dearest, and the occasion to delight their palate with wines that are worthy of your finest festive dishes. Because the magic of Christmas can also be served by the glass, the Maison Joseph Drouhin is offering a special tasting of a representative selection of our wines to offer a touch of inspiration, to put you in mind of the pairing with your Christmas dishes.

What could be better at this time of the year than some exceptional wines shared amongst family and friends; bringing joy and relaxation. For this event we have selected some of our emblematic wines, white and red, all potential candidates to be paired with some traditional Christmas dishes. The morning will comprise of a visit of our historical cellars of the 13th and 15th centuries followed by a tutored tasting. To accompany the wines, gougères (traditional Burgundy cheese puffs) will be served:

Program:

10.30 am: Welcome and visit of our historical cellars
